# About us

---

If you value quality craftsmanship and relentless attention to detail, Amso Impex iron works are the right choice. Whether selecting one of our beautiful styles or creating a new work of art, you will find that our passion is found in professional service, timeliness and uncompromising quality.

We design & manufacture the finest handcrafted iron entry doors & estate gates. We are successful in providing our customers with personal detailed service & beautiful, quality products.

## **Quality Products**

Our doors are hand-crafted in our specialized factory with over years of experience. We bring with us a team of 37 highly skilled metal workers & iron forgers whom have a deep understanding in the art of forging iron. Our products are hand-crafted with the finest steel, exterior artisan paints and engineered glass.

## **Customer Service**

Amso Impex strives to deliver the best in the personal service. We are committed to the client and providing for their needs.

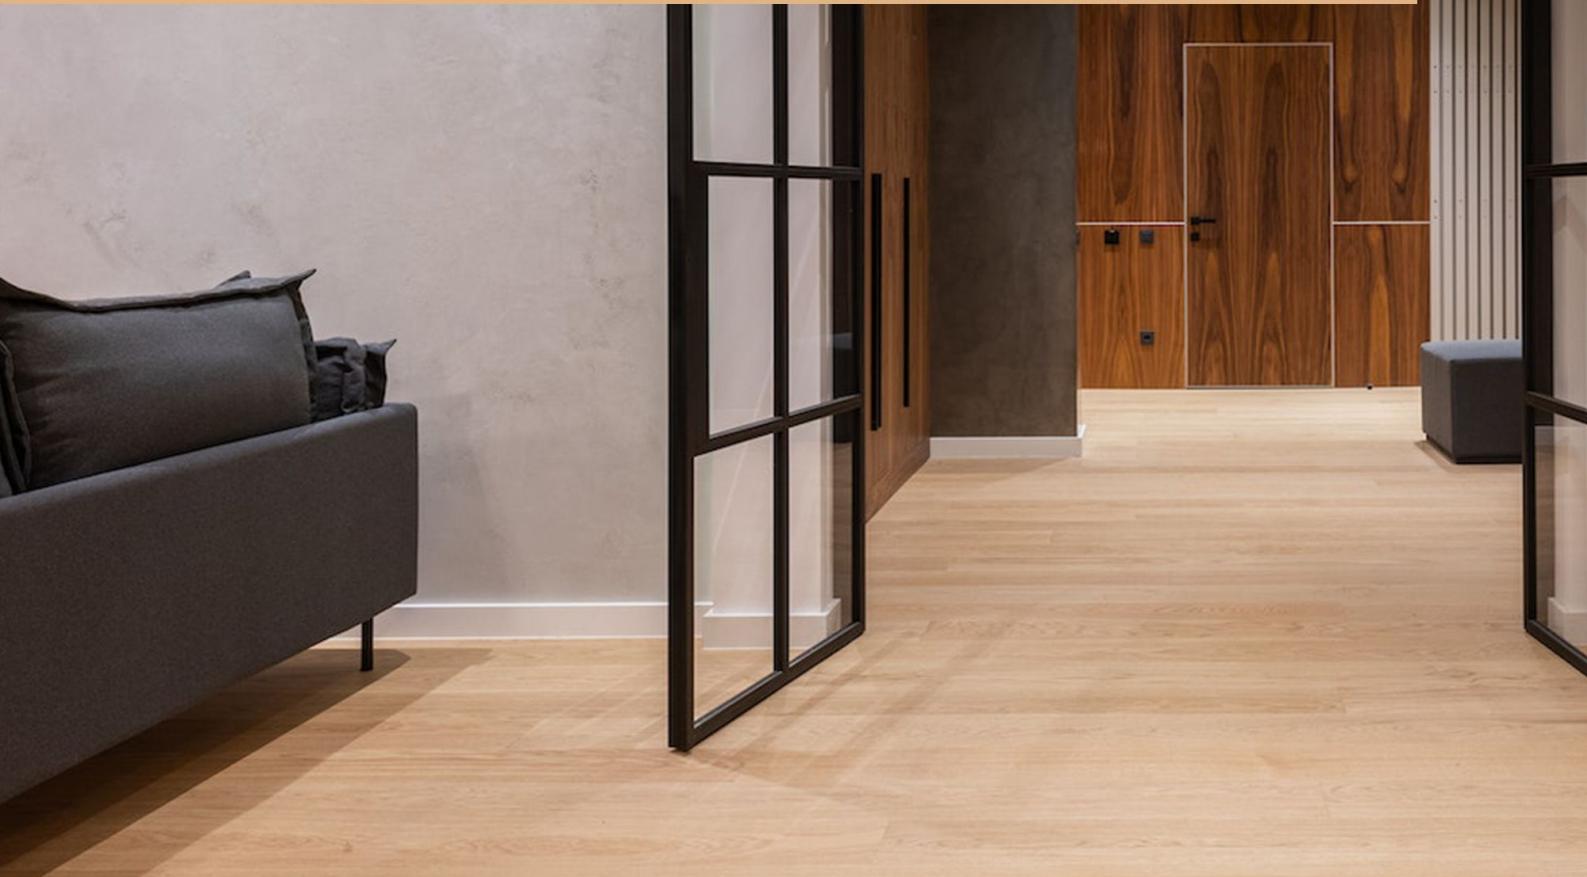

# WHY IRON DOORS ?

Since the 1850s, doors and windows have been made from hot-rolled steel. Featured throughout big cities in many historic buildings, steel doors and windows have become incredibly popular in contemporary architecture. Steel doors and windows offer superior benefits over traditional aluminum or wood

■ **Easily customizable**

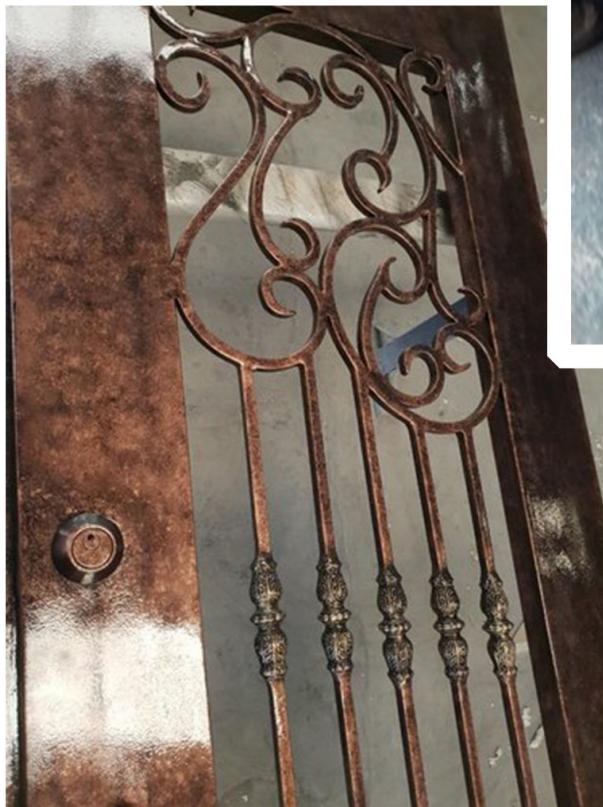

■ **Superior strength for inclement weather**

■ **3x stronger than aluminum and 16x stronger than wood**

# **FINELY HANDCRAFTED**

We focus on extremely fine crafted metal works and the way to meet your desired form to make it suit perfectly for your house or any type of architecture. The skills of worker and their compation towards artistic form is considered on priority. We promise you to fulfill your all expectations.

## YOUR THOUGHTS INTO REALTY

Select a standard configuration or draw your own. The possibilities are only limited by your imagination. We accept any type of reference ideas and willing to turn them into reality.

# ILLUSTRATIVE

We specialize in providing products custom-fit for any remodel project. Our doors and windows are manufactured to match the specs of your existing openings for minimally invasive remodel and installation. As the world of your thoughts is infinite, we suggest you the pre-rendered representatives.
